BY-ELECTION: FORMER LABOUR COUNCILLOR DIDN'T TURN UP

The upcoming District Council by-election, triggered by the six-month non-attendance of a councillor who originally stood for Labour, gives residents the chance to make their voices heard at the ballot box.

This by-election is the third in our area since the start of 2024, all three having been caused by elected Labour councillors leaving their posts.

It's Your Call On Feb 13th

Green Candidate Sam Jones, said:

"Being a councillor isn't just for Christmas - residents in our area deserve representatives who they can be sure will work for them all year round."

Told what to say, how to vote & may not turn up.

Free to speak up for All Saints And Woodloes!

GREENS RUN COUNCILS BETTER

Leading the joint-administration at District Council, Greens have worked to balance the **£2,400,000 (4%) 'black hole' left by the Conservatives**, made it possible to recycle more from home and aim to bring cheap loans in 2025 so you can make your home more energy efficient, saving bills.

MAJOR FIX FOR LEAKY COUNCIL HOMES

Some families had to go without eating *and* heating through parts of this Winter - but thanks to Warwick District Council, works are taking place to help. By-election candidate **Sam Jones** is supporting the Green-led joint administration as it renovates all council homes, like those on **Stanton Walk** and others across **All Saints & Woodloes** to bring their EPC ratings up to C or higher. The upgrades will make homes more fuel-efficient, <u>saving bills for residents</u>. Sam said:

Sam Jones - Refurbs underway at Stanton Walk!

"Council tenants live on the front lines of public services, so when things go wrong they feel it first. It's taken a lot of work, but it's great the Green-led WDC is prioritising giving Warwick the quality homes it deserves - and in their first term!"

SEND A MESSAGE TO THE LEGACY PARTIES

Greens work harder for our community

Community Support - Gap Community Centre, Wednesdays 10:30-2:30pm

Community Café - Woodloes Tavern, Tuesdays & Fridays 10-12pm (termtime)

Move It Or Lose It - Woodloes Community Centre, Tuesdays 2-3pm, 1st class free!

Community Litter Pick - Portabello Way, Saturday 25 January, 1pm

Meet Sam!

Sam Jones & Green supporters deliver year-round newsletters to keep residents in the know about local updates!

Sam campaigns for Cycleways, an organisation which promotes bike safety and cycle routes which <u>don't</u> ruin the road for drivers.

Green achievements... so far!

Leading the joint administration at WDC, we

1) Became the first District Council in the country to recycle soft plastics, bubble wrap and confectionary wrappers on the doorstep in 2024.

2) Brought in licensing rules to stop bad landlords renting out sub-standard homes.

3) Funded: new footpath to Myton Green, renovations to St Nick's paddling pool and more!

TOP PRIORITIES
<u>ONCE ELECTED</u>, SAM WILL WORK TO...

- Install new paths to revitalise our local green spaces and make them more accessible,

- Bring back the much-needed 529 bus route so kids can get to and from Aylesford School,

- Back the Greens' initiative to bring in low-interest financing so home-owners can upgrade their homes' energy efficiency!

" I was raised to stand up for the little guy. **Labour betrayed us in the summer** with their fake promise of "change" - I'm fed up! Time for new. Time for better. "

WE ALREADY HAVE <u>SIX</u> LABOUR COUNCILLORS HERE, ISN'T IT TIME TO GO GREEN?

Baffling Coventry Road Layout Change

County Council works to the **Coventry Road** have left residents confused and frustrated. The new layout, by **Nelson Lane**, has thinned the road to allow a wider bike lane on the pavement - but the works seem un-finished, with the old yellow lines still showing and loose tarmac on the opposite side. **Sam Jones** said: *"I've asked the Council to finish it "*.

Sam Jones, unimpressed by County Council's narrowed road layout
